

HANDWRITTEN STATEMENT OF NOLAN CORDON
(TRANSCRIPTION)

I, Nolan Cordon do hereby voluntarily make the following statement without threat, coercion, offer of benefit or favor by any persons whomsoever.

On Thursday we were at Hollywood Studios all day. In the past weeks he has had trouble breathing at nights and snoring loudly. Doctors have told us that he would need his tonsils removed. At the park Derek seemed fine, but tired. After the park, we drove to Disney Springs to get ice cream at Ghirardelli's Chocolate Factory. Around 9-9:30 we bought some dinner @ McDonalds and took it back to the Hotel.

After dinner, we took the boys to bed. Derek seemed fine, was happy and responsive. He was his normal happy, but tired, self.

He woke up around 12-12:30 whimpering like he does when he has a bad dream. We soon found he was unresponsive and my wife drove him to the hospital while I made sure the youngest was taken care of.

I then drove to the hospital where they were prepping him to transfer to Arnold Palmer Hospital.

I Swear/Affirm the Above and/or Attached Statements are Correct and True.
